

A large, stylized, gold-colored 'V' logo is centered on the upper half of the cover. The 'V' is composed of multiple parallel lines that create a sense of depth and movement, with the lines converging towards the bottom point. The background is a dark red material with a fine, wavy, leather-like texture.

ANNUAL PUBLICATION
OF
GREATER BALTIMORE ACADEMY

Foreword

As another year's travel has passed on the sea of life, and we pause to look at the reflection of the activities and personalities that are recorded on the pages of this 1961 REFLECTOR, may it not only bring back fond memories to us, but also renew our desire that, despite the winds of strife, and the waves of sorrow and discouragement, we will set our sights on heaven, and strive to reach its golden harbor.

Principal's Message

PRINCIPAL'S MESSAGE

At no time in earth's history has a Senior Class left the comparative security of a Christian educational institution to face as much insecurity, temptation, and challenge as will the class of '61. It is too late to make any preparation in the classrooms of GBA. All that is left for you is the wise use of every lesson which you have learned from dedicated teachers, fellow students, and loving parents during your academy years.

For the oncoming seniors and the underclassmen, there remains an opportunity to use intelligently every moment given you by God's mercy.

Tomorrow offers many promises, but the securing of those ideals and attainments is entirely dependent upon today's wise improvement of every God-given talent and ability. I challenge you to unite your will on the side of God, and make a thorough preparation for the most challenging days of earth's history!

C. U. Dunbebin, Principal

Marinus A. Kip

Dedication

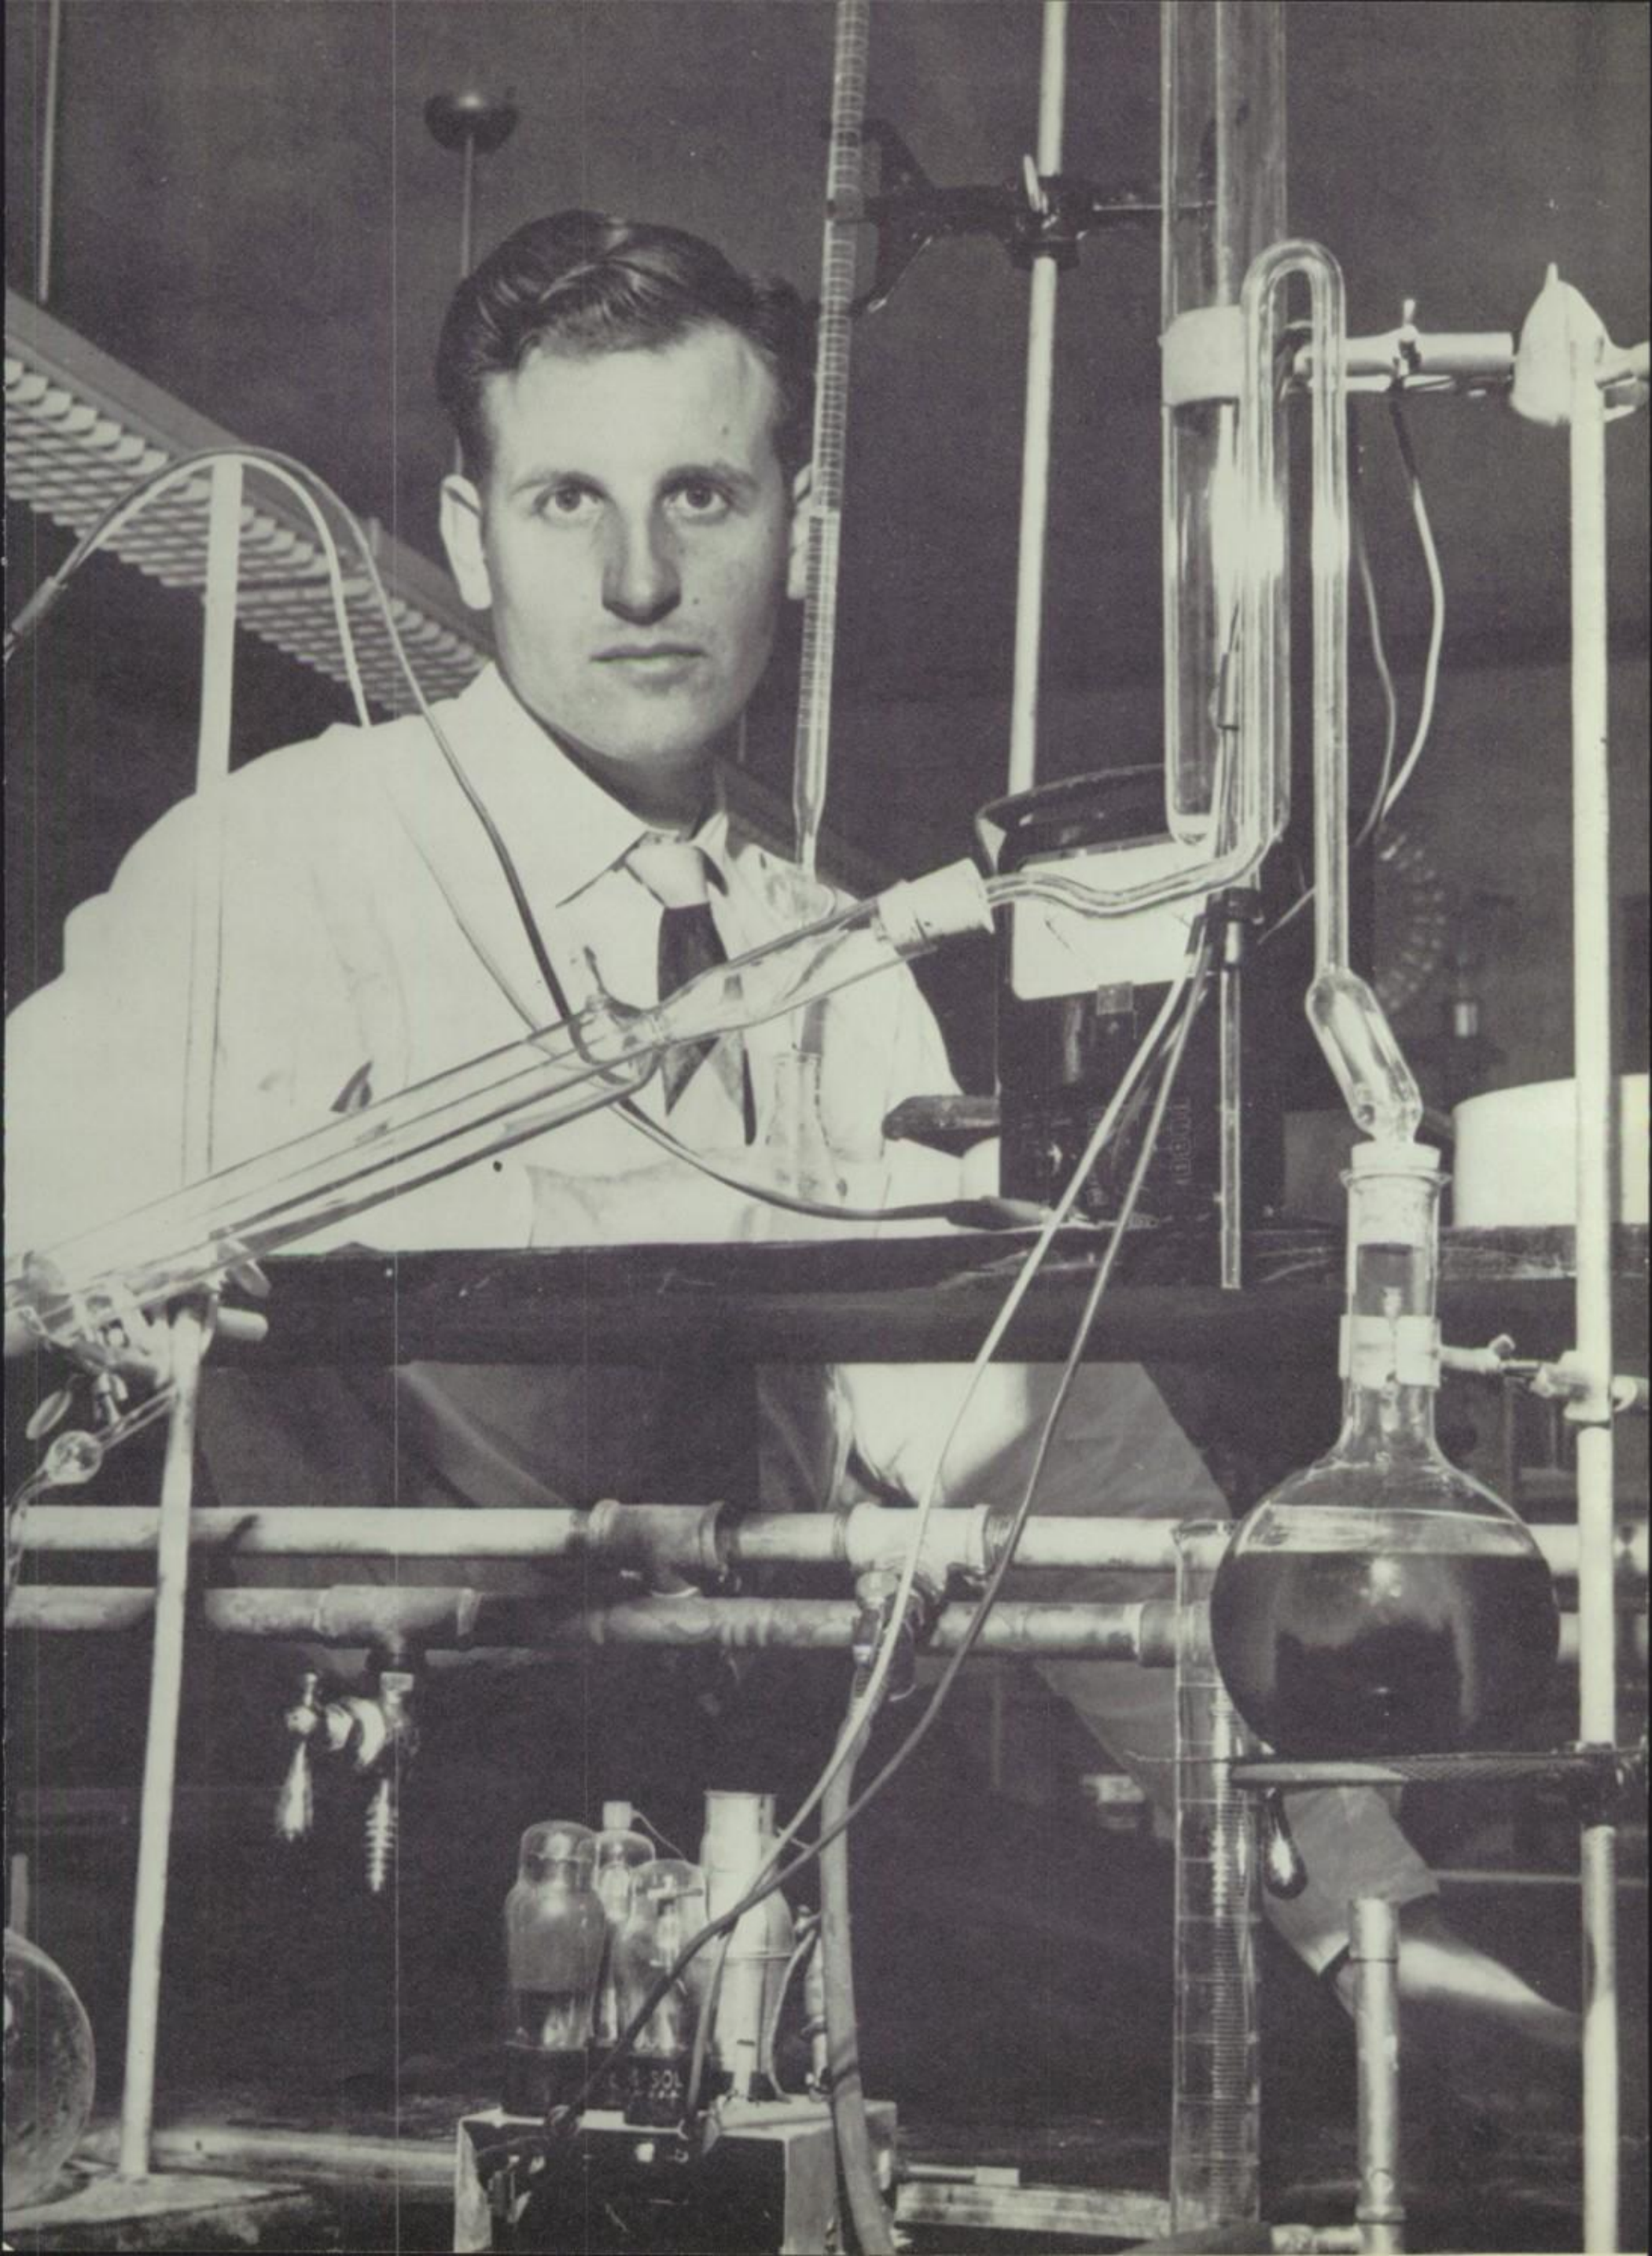

For your enthusiastic, penetrating mind which brings the best from each of us...

For your unique ability to stimulate creative thought, showing us how to grapple with problems and overcome them...

For the science laboratory you have built with your own hands, which has increased our knowledge and appreciation of science...

For the many things, tangible and intangible, that you have done to make us proud of our school...

Yes, for these and many other reasons, we respectfully dedicate to you, Mr. Kip, the GBA REFLECTOR for 1961.

RAY DOYLE, B. A.
Band and Instruments Instructor

Our band director, Mr. Ray Doyle, started the organization of the G.B.A. Band on September 11, 1960. At that time there were only eleven members. By the time of our first concert, held in the Spencerville Gymnasium, the band had added twenty-one new members.

In March, the band members, proudly displaying their new uniforms, gave another concert at the Baltimore First Church Annex; and in April, still another at the Chesapeake Conference Youth Rally held near Baltimore.

A Beginners' Band was started Second Semester in order to increase the band membership for next year. So, through the months, our small band is growing into a large one, of which we of G.B.A. are very proud.

TIME

hasn't changed...

but people have. . . . A few decades ago a high school diploma was enough for many. Today, one in fourteen Americans holds a college degree. But now even greater needs demand a wiser preparation to meet them. That's where the progressive, accredited, Christian college comes in. . . . This fall the doors of WMC swing open to youth with trust, sense, and ambition.
